ANNOUNCEMENTS

You are invited on a journey of discovery about our Indigenous neighbours. Please come.

This week in response to Indigenous leaders' encouragement to move to greater understanding, the Connections Committee invites you to experience this video about youth and learning. Unsafe drinking water still continues to take its toll on the health of numerous Canadian First Nations' communities. This life-saving program is designed for Indigenous youth to learn more about the importance of protecting the precious resource of water. The link to the video is [here](#).

Gardeners and others who enjoy fresh flowers: If you have a bouquet of flowers that you would be willing to share for our worship table on occasion, please contact Muriel.
